

Capt. Steve Parker's Carnival Clouser

Materials

Hook - Tiemco 800s #4

Body Wrapping - Cajun line 30lb

Flash - Polarflash Mirage Opal, gold

Flashabou and chartreuse Krystal flash

Body - White and chartreuse premium
(select) craft fur

Lateral line – black flash

Gill - Ultra chenille, fine red

Eye - 5/32 oz. eyes by Spirit River

Thread - Flat waxed nylon

Tying Sequence:

Tie Cajun line around hook from X inch behind the eye to the beginning of the bend, using a nail knot.

Wrap on eyes between red line and hook eye.

Tie polar flash bundle on top of hook, both in front and behind eye.

Tie bundle of white craft fur over flash.

Turn fly over and tie a small bundle of gold Flashabou in front of the eyes, doubling it and making it about twice the length of the hook.

Tie in a few strands of black crystal flash for a lateral line.

Tie a small bundle of chartreuse craft fur over the Flashabou.

Tie small bundle of Krystal flash over that.
